Young, dynamic and experienced engineer with a demonstrated history of working in different departments of an organization. A skilled debater with a good command over language. A Leader, Learner, Enthusiastic and inquisitive by nature. Dedicated, determined and multitasker capable of doing hard as well as smart work.

Work Experience

Public Relations Executive (Part Time) (07/2019- 09/20219)

Division of Alumni Relations, LPU, Phagwara, Punjab As a Public Relation Executive I built, strengthened and enhanced the relations and trust of alumni with the university.

Safety Officer & Production Maintenance (09/2019- 05/2020)

ALPLA INDIA, Baddi, Himachal Pradesh

After getting through the basic knowledge of each and every department, I looked at the overall safety of Plant. As a team we used invigilate the plant, identify the hazards and calculate the risk associated with it. Apart from this I had the responsibility to train and aware the people about safety standards to ensure a safe working environment.

Business Development Associate (06/2020- Present)

BYJU'S (THINK & LEARN Pvt. Ltd.), As a BDA I am working to identify and develop strategic relationships with potential customers. My role is to contact potential customers to set up meetings, counsel the students on learning pedagogies and the BYJU'S personalized learning journey
